Camp Monroe: *The Lassen Experience* - Chaperone Policy & Agreement (1 of 2)

Chaperones must comply with all local school district requirements pertaining to the supervision of students. The **Camp Monroe Chaperone Policy** requires that **all** parent chaperones must be fingerprinted with a current tuberculosis test on file 30 days prior to departure. These can be obtained and verified with your child's school district. A signed **Agreement Form** is also required before attending and chaperoning any event. Due to the fixed seat costs on the buses, some chaperones may be asked to ride together (car pool) in their own vehicle(s). Fuel reimbursements will be available with submission of original receipts.

- A. Chaperones must be familiar with local school district (MDUSD) procedures regarding supervision before actual supervision commences.
- B. Chaperones must be responsible adults, twenty-one years of age or older, with no record of criminal conduct.
- C. The chaperone understands that Camp Monroe will be using the existing facilities of the Mount Lassen National Park areas.
- D. The chaperone agrees to abide by all rules and regulations set by Camp Monroe for the health, safety, and welfare of the children and staff. Such rules and regulations may be provided verbally and in printed publications to campers and chaperones. Copies of the rules and other information can be found at www.MonroeScienceEd.com.
- E. There will be no smoking or use of alcohol or any other illegal substances on the part of chaperones or students irrespective of age. This rule will be in force at all times. While some participants may be twenty-one years of age or over, the fact that they are participating in a school event overrides their age status.
- F. It is understood that Camp Monroe reserves the right to dismiss any chaperone whose condition, conduct, influence, or behavior is deemed by camp staff to threaten, or be detrimental to, the campers, park property and/or staff members.
- G. Chaperones will be responsible for being the Cabin Manager which includes Departure Readiness, Head Counts and Lights Out.
- H. Chaperones on overnight trips are responsible for ensuring that the students are in their appropriate cabin/room or other sleeping accommodations at a set curfew time, not roaming about creating noise and infringing on the rights of others.
- I. Chaperones understand that they are not covered by the MSES liability insurance policy during this activity.
- J. Food and housing are provided. Chaperones are to bring their own bedding (e.g. sleeping bag) and towels (bath and/or beach).
- K. Camp Monroe personnel and MSES are not responsible for chaperone personal belongings while in transit or on site.
- L. Field trips are to begin and end at the site of origin unless other arrangements are made *in advance* with Monroe Science Educational Services.
- M. Chaperones shall NOT bring friends or other family members on the field trip.
- N. Chaperones must be fingerprinted and have a current tuberculosis test on file. Please contact the Mt Diablo Unified School District Personnel Office at (925) 682-8000 to schedule an appointment a.s.a.p.
T.B. Test: please contact your personal physician or you may contact your local Muir/Diablo Occupational Medicine clinic: Concord (925) 685-7744 or Walnut Creek (925) 932-7715. Specify MDUSD to receive a reduced rate of \$20.00
