## MSES Monterey Bay – Science Day Trip

Please advise of any Special Needs for your child on the Registration Form. Each student must bring a **“bagged lunch” and an afternoon snack.**

### **Monterey Bay Aquarium & Monterey Bay Whale Watching Cruise**

This 10-hour day trip takes students on a sightseeing and fun-filled learning experiencing to the Monterey Bay Area. The excitement begins in Monterey at either the famed Fisherman's Wharf - with a whale watching and marine animal cruise - or at the Monterey Bay Aquarium – with an educational self-guided tour.

Chris's Whale Watching offers full service guided family friendly whale watching boat tours year around in the third largest deep submarine canyon in the world. The Monterey Bay National Marine Sanctuary is the home to 27 species of marine mammals, 100+ species of marine birds, 345 species of fish and the leatherback turtle.

At the "World's Best and Most Famous Aquarium" students will begin with a 10 minute orientation before setting off in their groups to wandering and explore the jellies, tuna, seahorses, rock and coral reef fishes, sharks, sea otters, penguins, kelp forest and a multitude of other ocean animals on display.

*\* Times below may vary 5 - 10 minutes and are subject to traffic and bus group loading conditions*

*MSES has worked to secure the lowest possible rate of \$99.00 for this trip; which is 60% less than most day care!  
 Space is limited to 160 students and approximately 20 parent chaperones. As always, chaperones are FREE!*
